

BRIEF SUMMARY

Enthusiastic software developer with a passion for building innovative and efficient solutions. Committed to continuous learning and problem-solving to create impactful technology. Aspiring to grow in the IT sector and contribute to meaningful projects that drive progress.

KEY EXPERTISE

- Java
- Advanced Java
- Hibernate
- Python
- NumPy
- Pandas
- HTML5
- CSS
- Javascript
- React.js
- Node.js
- Express.js

EDUCATION

Parul University B.Tech. - IT - PIET CGPA: 8.04 / 10	2022 - 2026
Madhuram v m sr sec sch shekhawat nagar (pali), Pali 12 th BSER Percentage: 93.20 / 100	2021
Vandematram shikshan sansthan sr sec sch,pali, Pali 10 th BSER Percentage: 82 / 100	2019

PROJECTS

Skillwave

- Key Skills:
- React.js
- Node.js
- Express.js
- MongoDB
- AI

An adaptive learning platform that generates MCQs, quizzes, and answer-based questions for exam preparation, interviews, and skill development. It personalizes learning based on user performance, ensuring an interactive and effective experience.

Built with a responsive UI, secure authentication, and scalable data management, showcasing expertise in full-stack development and AI-powered learning solutions.

TaskSync

- Key Skills:
- React.js
- LocalStorage for Data Persistence
- Role-Based Access Control (Admin & Employee)

A web-based system with Admin and Employee panels for task assignment and tracking. Admins can assign tasks, while employees can accept, complete, or mark tasks as failed. Data is managed using LocalStorage, ensuring a simple yet efficient workflow.

CivicEye

Team Size: 4

- Key Skills:
- HTML5
- CSS
- Javascript
- Express.js

CivicEye is a web-based crime reporting platform that allows users to report incidents they witness, such as accidents or criminal activities. Once reported, the system automatically notifies the nearest police stations online, ensuring quick response and action. This platform helps both citizens and law enforcement agencies to improve safety and security in real time

ASSESSMENTS / CERTIFICATIONS

Data Analytics

- Key Skills:
- Excel
- NumPy
- Pandas
- Microsoft Excel
- Matplotlib

DBMS

- Key Skills:
- SQL
- MySQL

Computer Networks and internet protocol

Key Skills: Computer Networking

PERSONAL INTERESTS / HOBBIES

- Reading historical books
- cricket
